### Free Yourself of Coal Worries Electric, Oil and Gas HEATERS

Even though you have a furnace and have no difficulty in getting coal when you need it, you will find one of these heaters—a wonderful economy and convenience, besides being a safeguard to health.

They enable you to have heat instantly, at any time you desire and may be moved from room to room as the occasion requires.

#### Perfection Oil Heaters

Economical, odorless and easy to keep clean. Absolutely safe and very effective heaters. Prices range from \$5.54 to \$11.24.

#### Radiant Fire Gas Heaters

Handsomely designed gas radiators that will keep the atmosphere at an even temperature. A heater that is recommended by doctors, which is proof of its hygienic value. Prices range from \$13.89 to \$70.50.

#### Reflector Gas Heaters

An attractive and effective heater that is scientifically constructed. The heat is reflected to the cold floor and warms the room evenly as it ascends. Its construction insures complete combustion regardless of the pressure of the gas.

We have them in sizes suitable for rooms, from the smallest bathroom to the large living room. Prices range from \$6.34 to \$10.24.

#### Electric Sun Bowl Heater

The model illustrated has the largest radiating surface of this type of radiant heaters. Can be attached to any lamp socket and is instantly effective. Copper reflector. Complete with cord and plug. \$9.34

#### Cylinder Type Electric Heater

Double action, cylinder type. Nickel trimmed and black japanned body. \$4.94
